WE MAKE SPORTS HAPPEN

FORZA is a brand by Net World Sports and is the world's number one team sports and fitness brand at Net World Sports, trusted by aspiring grassroots athletes, elite clubs in the Premier League, MLS and Saudi Pro League, and organisations including The FA, FIFA and Football Foundation.

We are the global provider of sports equipment across 35 sports.

Over 15,000 Products.

We sell to over 180 countries & 5,000,000 customers worldwide.

Warehouses in Wrexham UK and Ohio US

CUSTOMISE

Standard equipment does a job. Branded equipment does a job and tells everyone whose brand they're working with. Our in-house UK design team can add your crest, badge, sponsor logo or team colours across the range; branded goals, shelters, footballs, training gear, bags and accessories.

IN-HOUSE MANUFACTURING

By bringing key production processes in-house, Net World Sports maintains end-to-end quality control across its core product ranges. Our specialised manufacturing capabilities span precision plastics production for structural goal components, bespoke custom printing, and tailored netting fabrication to meet exact dimensions. The operation extends to heavy-duty PVC goal line manufacturing, dedicated pitch paint production, and specialised electronics assembly for motorised ball launchers and automated line markers.

QUALITY, COMPLIANCE AND TESTING

Across our range we test a variety of products to nationally and internationally recognised safety standards including BS EN and ASTM standards. With many products of FIFA approved standard. A range of our goals are also available through Football Foundation funding in the UK.

Our products are tested by Sports Labs and LaboSport. We are also proud members of SAPIA, SAPCA & ASBA. From product testing and safety compliance to trusted industry partnerships, each accreditation reinforces our commitment to supplying high-quality sports equipment built for performance, reliability and long-term use.

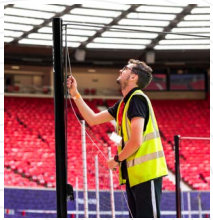
GOALS & NETS

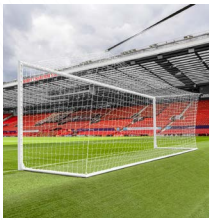
Trusted by clubs, schools and governing bodies across the world. FORZA is the world's number one goal supplier. Every design prioritises safety, value and performance. Choose from a wide selection of goals and styles, from our ALU110 stadium goals to our ProFlex Pop-Up goals for training anywhere.

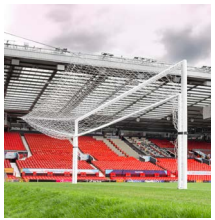
We offer a host of sizes, wheel options, net colours and net supports. Scan the QR code to view our full range.

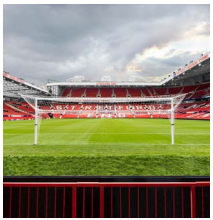
UEFA/FIFA STADIUM FOOTBALL GOAL PACKAGE

Built to be the world's best stadium goal, this 24ft x 8ft goal package is FIFA Quality Pro certified, UEFA compliant & proven at the highest level. Launched at Manchester United, Newcastle United & trusted in leagues such as La Liga & the MLS, it features a 300kg-tested aluminium frame, precision height & lean adjustment for VAR/camera technology. Complete with a premium 5mm UV-treated all-weather net available in 10x colours.



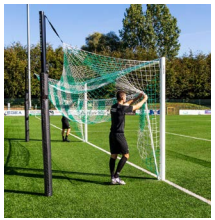


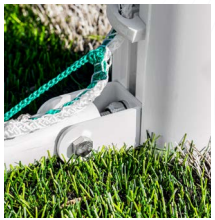


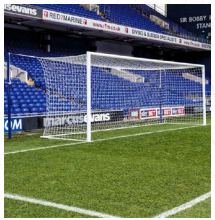


CLUB STADIUM FOOTBALL GOAL PACKAGE [UEFA STANDARD]

Premium full size 24 x 8 UEFA regulation box goal and net. Package includes regulation goal posts, high-quality 5mm braided net, aluminium net supports, ratchet and strap support system, weighted galvanised steel hinged bottom net frame and zinc-plated steel ground sockets.

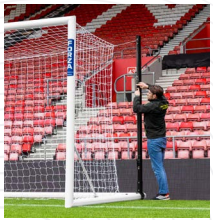


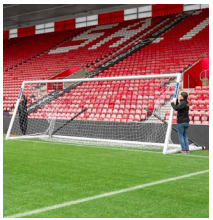


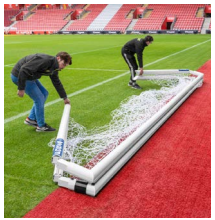


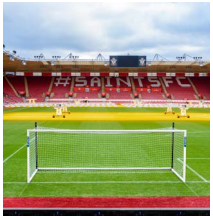
FOLDAWAY STADIUM BOX FOOTBALL GOAL [WARM UP GOALS]

Freestanding stadium box goals used by elite football clubs and tournaments worldwide. The full size goals take less than 2 minutes to set up / fold away via two adults. Folding goals delivered assembled, excluding the net, which will require fitting onto the goal. Optional 360 goal trolleys available as an upgrade (two trolleys per goal).10x colours.





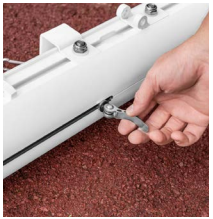




Goals & Nets

HALF FOLDING STADIUM WARM UP BOX GOAL

The perfect warmup goal for all professional clubs. The Alu110 profile gives it the perfect strength to weight ratio. A perfect looking box shape net is achieved with the simple slide of a wire. Optional 360 wheels for enhanced portability. Goal folds up swiftly for quick storage.

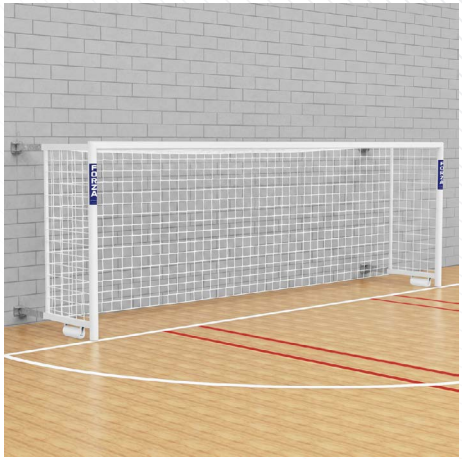


ALU110 FREESTANDING STADIUM BOX FOOTBALL GOAL [GEN 2]

Freestanding aluminium box football goal and net package offering stadium-level stability and performance in a portable solution. Features a braided box net with a ratchet system and bracing bars for stability. BS EN and ASTM safety certified, with optional weights and lever-type or 360 degree wheels available.

ALU110 FREESTANDING FOOTBALL GOAL [GEN 2]

Freestanding aluminium football goal and net package built for youth match play. BS EN and ASTM safety certified and endorsed by professional clubs worldwide. Optional internal weights and wheels available.



ALU110 FOLD-TO-FENCE/WALL FOOTBALL GOAL POSTS [GEN 2]

Permanent aluminium fence/wall folding box-shaped football goals by FORZA, ideal for adult/youth matches. Goals quickly fold out for use and fold flat for storage. Can be bolted securely to a wall or rear support posts behind a fence. A heavy-duty, space-saving solution that conforms to BS EN & ASTM safety standards. Available in 6x sizes.

ALU110 QUICK RELEASE SOCKETED FOOTBALL GOAL

Available in a variety of sizes: 12x6ft, 16x7ft, 18.5x6.5ft, 21x7ft and 24x8ft. Supplied in single or pair packages with an optional locking socket. Weatherproof white 3mm HDPE knotted straight back net included. Goals conform to FA, UEFA & FIFA regulations.

ALU110 SOCKETED FOOTBALL GOAL [GEN 2]

Socketed match football goal constructed from 110mm reinforced, powder-coated aluminium with D-bracket net supports and a 5mm thick HDPE braided net. Weatherproof and suited to everything from junior matches to senior training. Available as a single goal or pair, with optional Alu110 locking sockets for a secure, professional-quality installation.

FORZA STEEL76 SOCKETED FOOTBALL GOAL

Heavy-duty socketed football goal manufactured from 76mm galvanised steel with fully welded corner joints and an anti-vandal design for maximum strength and durability. Ideal for parks, fields, schools and football pitches. Available individually or in pairs, with upgrade options including a braided net, D-shape net support elbows, touch-fastening ties, clips and pegs.

ALU MINI TARGET FOOTBALL GOAL

FORZA Mini Target Football Goal made from 50mm x 75mm reinforced aluminium. Foldable weatherproof goal with a blue or black 3mm knotted HDPE football net, galvanised steel side frames and detachable back bar. 3ft x 2ft and 12ft x 2ft goal size options available.

ALU60 PRO FOOTBALL TARGET GOAL

Premium 4ft x 2.5ft aluminium football target goal designed for precision shooting drills and small-sided training. Manufactured with a 60mm reinforced aluminium frame and 3mm heavy-duty HDPE goal net with 100mm mesh. The compact 3v3 goal features a space-saving folding design for a quick setup and convenient storage. Suitable for use on grass, AstroTurf, 3G, 4G pitches & hard indoor surfaces.

ALU80 PRO FOOTBALL TARGET GOALS

FORZA Alu80 Training Football Goals available in two styles & multiple sizes. Choose from a folding or fixed frame. Manufactured with 80mm reinforced aluminium. Use on grass, AstroTurf, 3G, 4G pitches & indoor hard grounds. 3mm HDPE twine net with 100mm mesh. As used by Manchester City & Manchester United.

FORZA ALU60 FOOTBALL GOAL

Weatherproof football goal made from 60mm diameter reinforced aluminium with galvanised steel foldaway side frames for easy storage. Includes a UV-treated 3mm HDPE braided net. Available as a single goal or in pairs.

FORZA STEEL42 FOOTBALL GOAL

Premium-quality weatherproof garden football goal built from ultra-durable 42mm galvanised steel with excellent rust and corrosion resistance. Includes a 3mm UV-treated HDPE net and a strong straight crossbar for reliable year-round use in all conditions. Optional Rebounder Kit available.

PVC LOCKING FOOTBALL GOAL POST

Built-to-last garden football goal that's lightweight, portable and designed for endless outdoor fun. Made from strong, weatherproof uPVC with a 2mm UV-stabilised net for reliable year-round use. No tools required for quick one-person assembly, with net clips and ground pegs included. Ideal for garden kickabouts, outdoor games and home football training.

PVC MATCH FOOTBALL GOAL POST

Match football goal featuring an essential locking system for quick, stable assembly. Built from durable uPVC goalposts with a 2mm UV-stabilised HDPE twisted net and a top runback mechanism. Fast one-person set-up with no tools required; net clips and ground pegs included. Complete your setup with optional add-ons such as a FORZA training ball, target sheet and carry bag.

MINI TRAINING & TARGET GOALS

Sharpen your shooting with this mini target goal, designed to boost accuracy for all ages. The compact 3ft x 2.5ft or 4ft x 2.5ft frame features durable PVC posts, a secure locking system & a weatherproof net for reliable indoor & outdoor use. Lightweight & freestanding, it's the ultimate tool to elevate your game.

FORZA WORLD'S SMALLEST TARGET GOAL

FORZA World's Smallest Target Goal. Designed for players to develop & improve target practice with ultimate precision. Measuring just 28cm in between the posts. Made from ultra-durable PVC with an essential locking system. Suitable for kids & adults from grassroots to professional football.

PROFLEX POP-UP FOOTBALL GOAL

Ultra-portable pop-up football goal that sets up in around three minutes - the only pop-up goal with a professional stadium box-style net design. Supplied with a durable flexible frame, box-style net and carry bag, with optional base weights available. Ideal for fast training and play across a range of formats.

PROFLEX FLAT FOOTBALL GOAL

Cutting-edge training goals available in 4x sizes. Innovative design allows for a wide variety of training exercises for players and goalkeepers of all levels. No tools required, the pop-up goal can be set up in seconds. Ideal for amateur and professional clubs of all sizes. Includes carry bag. Optional weights available.

PROFLEX POD FOOTBALL GOAL

With an ultra-fast setup, these premium pop-up target goals are perfect for coaches, clubs & players running fast-paced drills & small-sided games. Freestanding & foldable, they pack flat for easy transport & storage. Built with durable fibreglass poles, a reinforced frame & a weighted non-slip base with rubber feet for excellent stability. Includes a carry bag, ground pegs & sandbags (sand not included).

POD GOAL – PRO ALU50 FOLDING FOOTBALL GOAL

The ultimate target goal for coaches, clubs & players - perfect for intense training & fast-paced games. Freestanding & foldable, it sets up in just 10 seconds & fits easily into your car boot. With a durable aluminium frame & high-performance micromesh net, it's built for strength & reliability.

POD GOAL LITE - COMPACT ALU40 FOLDING FOOTBALL GOAL

Designed to enhance shooting and passing for players of all calibres. Set up in seconds with the easy-to-use press, rotate and lock mechanism, no tools required. Built with a collapsible 40mm aluminium frame, designed with a high impact net for unbeatable strength. This portable football goal is equipped with an integrated carry strap, perfect for small games & training drills. Upgrade to include base weights. 9x colours.

FLASH POP-UP FOOTBALL GOALS

Perfect for footballers of all ages, these training goals come in three sizes to enhance your athletic skills. Lightweight & compact, they feature fluorescent yellow netting & a reflective strip for low-light visibility. Quick to set up & collapse, they come with anchor pegs & a carry bag for easy transport.

FLASH SQUARE POP-UP FOOTBALL GOAL

Suitable for all ages, the FORZA Pop-Up Football Goals are perfect for training at local clubs or skill development at home. Premium grade netting allows the mini pop up goals to withstand high impact shots. Quick & easy assembly. Available in 6 size options individually or as a pair. Carry bag included with smaller sizes. Optional target sheets available, one target sheet per goal.

MINI FOLDING GOAL

Compact push-button folding, training goal with PU foam ball designed for younger players, home practice, and garden training. Perfect for shooting practice and football skill development. Available as a single goal or a pair.

MINI BOX FOOTBALL GOAL

Compact mini football goal ideal for young players who want to practise their football skills at home. This lightweight goal is easy to assemble and includes a PU foam ball, so your player has all they need for shooting practice and target drills. Available in Black, Red and Blue.

ALU60 FOLDING BEACH SOCCER GOAL

Foldable and portable beach football goal. Long-lasting and easy to transport thanks to its lightweight nature and superior strength provided by welded corner joints. Powder coating ensures 60mm diameter aluminium posts are scratch-resistant and protected against rust.

ALU110 FREESTANDING BEACH SOCCER GOAL

Full size FIFA regulation beach soccer goals. Perfect for both junior and senior players to work on their goalkeeping or shooting skills. The yellow soccer goal is ideal for training & competitive matches. Rust protected and scratch resistant thanks to powder coating on aluminium posts.

ALU60 BEACH SOCCER GOAL

Full size beach soccer goals. Conforms to official FIFA regulations regarding beach soccer goal size. Long-lasting thanks to its superior strength provided by welded corner joints. Powder coating ensures aluminium posts are scratch-resistant and protected against rust.

BEACH POD FOOTBALL GOAL

FORZA Beach POD Goal. Available in four sizes. Freestanding soccer goal with a fluorescent micromesh goal net. Choose from 9 vibrant & highly visible colours. The foldable goal is easy to store and takes 10 seconds to set up. Upgrade to include carry bag.

PROFLEX BEACH SOCCER GOAL

The 5.5m x 2.2m FORZA Soccer Goal offers an ultra-durable & lightweight frame with simple beach assembly in mind. Lightweight design ensures easy transportability. Flexible fibreglass & steel frame is perfect for outdoor use & prevents rust. Carry bag included for easy portability & storage.

FOOTBALLS

HURDLE/AGILITY CLIPS

Range of clips to fit the FORZA Hurdle/Agility Poles. The clips are supplied in 25mm (1in), 25-34mm (1in-1.34in) and 34mm (1.34in) diameters so they can easily attach to the 25mm/34mm (1in/1.34in) slalom poles. Clips boast 360° rotational heads to easily attach to poles.

TRAPEZOID RINGS

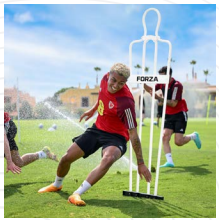
Each ring measures 30cm x 50cm x 50cm, weighs 300g, and features an innovative clipping system for customisable setups. Carry handle included. Sold in packs of 10.

PRO FOOTBALL AIR MANNEQUINS

Inflatable football mannequins in junior, senior & jumbo sizes in packs of 1, 3 or 5. The mannequins for football boast weighted bases for self-balancing and feature carry handles. Optional pump and carry bags available. Junior = 115cm, Senior = 175cm & Jumbo = 205cm (height).

6FT AIRFLOW FOOTBALL MANNEQUINS

6ft (1.83m) football free kick mannequins perfect for set piece training. The mannequins are constructed from shatterproof PVC plastic, allowing the free kick wall dummies to withstand wayward shots. The design promotes stability in windy & torrential weather conditions. Packs of 1 & 3 available with optional Astro bases and/or a carry bag.



3FT MINI AIRFLOW FOOTBALL MANNEQUINS

Designed for junior football players, our 0.9m mini airflow mannequins are made from tough, shatterproof PVC & come with optional rubber bases for use on artificial or indoor surfaces. Available in packs of 1 or 3 & 8 vibrant colours.

6FT ELITE HD FOOTBALL MANNEQUINS

Manufactured from 100% premium nylon, these heavy-duty 6ft mannequins are the strongest & most durable on the market. Available in 6x vibrant colours. Packs of 1 or 3 with upgrades to include durable carry bag & bases.

FOOTBALL FREE KICK MANNEQUINS

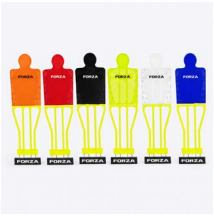
Work on direct & indirect free kicks with the heavy-duty fluorescent yellow football dummies. Available as a pack of 1 or 3, you can choose between mini (4ft), junior (5.4ft) & senior (6ft) sizes with an optional carry bag.

ASTRO FOOTBALL MANNEQUINS

Engineered from 60cm fluorescent yellow PVC, these football mannequins are the ultimate defender for both set piece and ground drills. Supplied with a reinforced 13kg (29lbs) rubber base, these football dummies remain in place even after contact. Available in mini (4ft), junior (5.4ft) & senior (6ft) sizes.

SPRING BACK FOOTBALL FREE KICK MANNEQUINS

This set includes three 5ft defender mannequins crafted from ultra-durable mesh. Each features shatterproof 25mm spring-loaded poles that spring back after impact, staying upright during training. Optional Carry bag for easy transport.



MANNEQUIN CLOTHES

Fabric clothes specifically designed for use with FORZA Free-Kick Mannequins. These mannequin clothes can obstruct goalkeepers' views. Made from premium grade polyester for maximum durability in all weather conditions. Sold in packs of 4. Available in a choice of 6 vibrant colours.

FREE KICK MANNEQUIN TROLLEY

Free kick mannequin trolley with 8mm slot that holds up to 5 mannequins. Suitable for use on grass, AstroTurf, 3G and various other surfaces, the football mannequin trolley features a front handle to aid transportation. Off-road tyres create minimal disruption to your turf.

RUBBER BASE FOR FREE KICK MANNEQUINS

Heavy-duty rubber base designed to keep your football mannequins stable in every training session. Suitable for use on all flat surfaces.

2-IN-1 REBOUND BLOCK & MANNEQUIN BASE [15KG]

Innovative 2-in-1 training equipment for all coaches and football clubs. Dual sided rebounder and heavy-duty mannequin base. Measuring 50cm x 26cm and weighing 15kg. Made from durable galvanised rubber. Suitable in all weather conditions.

6FT SPRING LOADED SLALOM TRAINING POLES

6ft Spring Loaded Slalom Poles designed to improve your speed and agility across a range of sports. Manufactured from 34mm thick shatterproof plastic. Spring loaded bases minimise injury. Long stainless-steel ground spikes. Available in packs of 8 or 16, in 8x colours. Individual replacement poles available.

1.5FT MINI SLALOM POLES

Sold in packs of 8. Available in 25mm & 34mm thicknesses. Highly visible mini slalom poles in 4 bright & vibrant colours. Manufactured from ultra-durable, shatterproof PVC. Perfect for speed & agility training drills.

SPRING LOADED SLALOM TRAINING POLES

5ft tall spring-loaded slalom poles. Manufactured from 25mm thick shatterproof plastic for maximum durability in all weather conditions. Each pole features a stainless-steel spike for easy insertion into all grass surfaces. Available in packs of 8 or 16, in 8x colours.

TELESCOPIC SLALOM POLES

Manufactured from 34mm shatterproof plastic for maximum user safety. Height adjustability from 3ft - 6ft with locking system allows you to add variety to your drills. Upgrade to include rubber slalom pole bases for use on hard surfaces. Sold in packs of 8 in 8x colours.

ASTRO SLALOM POLES WITH BASES

Available in sets of 8 & 16. Suitable for sports training on AstroTurf and indoor surfaces. Training poles are 1.5ft, 5ft or 6ft tall and the 6ft slalom poles come with a spring back feature. Slalom training poles are fluorescent yellow. Heavy-duty rubber bases included.

SLALOM POLE RUBBER BASE

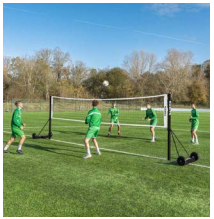
2.3kg (5lbs) Rubber training pole base designed to fit FORZA slalom poles for use on all hard surfaces and AstroTurf. This agility pole base conveniently converts the spike into a base structure. Manufactured from a sturdy rubber material for maximum stability.

SPEED & AGILITY FOOTBALL TRAINING LADDER

40cm wide football speed ladder, designed to enhance your agility & footwork. Adjustable flat plastic rungs let you set your perfect stride. Choose from 10ft or 20ft lengths.

PRO PORTABLE FOOTBALL TENNIS NET

As used by Manchester United, this premium FORZA portable football tennis net is perfect for developing ball control, passing & heading skills. Heavy-duty posts feature puncture-proof wheels for simple portability & come with a PVC edged net included. Net height adjustment between 1-1.9m.



FOOTBALL TENNIS CROSS X-NET

Featuring an adjustable height of 0.8m or 1.55m, the FORZA Football Tennis X-Net allows you to develop your one-touch returns, weak foot, heading & ball control, with each height allowing you to focus on upper or lower body skills. Nets can be assembled to suit 2-4 players.

TIKI TAKA/RONDO FOOTBALL TRAINING RING

For small sided passing & possession games. Manufactured from durable fibreglass with a polyester cover. Suitable for all playing surfaces. No assembly required, carry bag included.

ACCELERATION TRAINER

Specialist football acceleration trainer designed to provide effective sprint overload training, improving explosive starts, first-step quickness & speed mechanics. The adjustable one-size belt & latex bungee allow a coach or partner to apply resistance before release.

SOLO SPEED TRAINER

Designed for effective fixed-point resisted sprint & movement drills. The adjustable belt, hook & loop anchor strap & latex resistance bungee guarantee user safety, while improving acceleration, explosive power & first-step quickness. Multi-sport training equipment available in 2x sizes for athletes of all ages.

RESISTANCE SPEED CHUTE

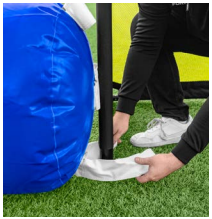
FORZA resistance chute – designed to help improve your speed & stamina. An ultra-durable polyester parachute adds intensity to your sprints with adjustable belt strap & quick-release buckle. Carry bag included for easy storage & transportation.

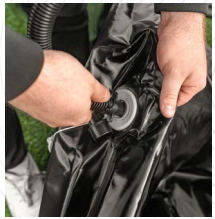
DEFENSIVE SHAPE TRAINER

Specialist training aid, designed to improve shape, spacing & compact unit movement. Adjustable belts & latex resistance bungees help defenders move together as one line, giving coaches instant visual feedback when players drift too far apart. Available in Kids & Adults options with multiple setup variations.

INFLATABLE FOOTBALL PITCH

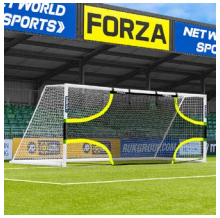
Professional grade FORZA inflatable sports pitch available across 9 sizes, from 1v1 & 3v3 to Funino style formats & full 7v7 setups. Featuring industry-leading 60cm-high rebound walls & manufactured from heavy-duty 0.7mm PVC tarpaulin for durability & easy cleaning. The ball-in-play design maximises intensity & decision-making for all ages & abilities. Modular & compatible with any goal size or type. Supplied with 2x 1200W electric pumps, carry bags & ground anchor pegs. Stays inflated for up to 72 hours.





POD FOOTBALL GOAL TARGET SHEET

The shooting target sheets are designed to be compatible with the corresponding POD Goal size. 3x sizes available: 4x2.5ft, 5x3ft & 6x4ft.



PRO FOOTBALL GOAL TARGET SHEETS

FORZA Pro Football Goal Target Sheets made from airmesh material with fluorescent yellow banding. Perfect for top and bottom corner football shooting drills. 6x sizes with bungee cords included.

PRO+ FOOTBALL TARGET SHEETS

Featuring interchangeable quick-fastening score numbers & multiple target zones, this effective training tool creates fun & varied training drills. Available in 6x sizes.

PROFLEX GOAL TARGET SHEETS

Featuring five strategically placed target zones & a quick, stable attachment system, they provide fast, secure setup for every training session.

TOP BINS

Perfect for football shooting accuracy by isolating the scoring area. Made from 33mm impact resistant PVC. Suitable for use with all FORZA football goals. Quick-release fastening straps included. Available in 3x pack sizes. Optional carry bag for 2- and 4-pack sets.

WORLD'S SMALLEST TOP BINS

Compatible with all FORZA football goals and suitable for all ball sizes, these 30cm x 30cm goal targets easily attach to the top corners with quick release fastening straps. Manufactured from impact resistant fluorescent yellow PVC for maximum longevity.

ACADEMY FOOTBALL TARGET SHEET

The ultimate football training aid is available in 10x sizes & features 5x target zones, for fun & effective training drills. A durable polyester air-mesh target sheet, able to withstand the hardest of strikes (up to 60mph). Easily attaches via bungee cords.

CHALLENGE FOOTBALL GOAL TARGET SHEET

FORZA Football Goal Target Sheet - as seen on Soccer Aid 2020. Football target ideal for players of any age to improve their shooting accuracy. Play football goal shooting games with the world's hardest goal target sheet.

FLASH SQUARE POP-UP GOAL TARGET SHEETS

Each target net transforms your flash goals into the ultimate accuracy training aid, featuring pre-cut target holes and tensioned straps for a fast and secure attachment. Available in 6x sizes.

FOOTBALL GOAL TARGET SHEETS

Football goal target sheets - 9x sizes with varying hole quantities. Weatherproof goal targets suitable for clubs and garden training. Essential training aid for strikers with bungee ties included.

WORLD'S SMALLEST FOOTBALL TARGET NET

Ideal for individual and team training sessions, the precision tool helps prepare players for matchdays. The versatile net doubles as a football bag, storing up to 3 balls at a time.

RAPIDFIRE WAVE REBOUND BOARD

Ultra-high quality reversible rebound board. Boasting a 4-in-1 design providing a wide range of passing & shooting drills. Featuring a Standard and an XL size. Freestanding with a solid geometric webbing surface. Ideal for all football clubs, sports clubs & schools. Sand & reaction lights sold separately.

RAPIDFIRE INTERACTIVE WAVE REBOUND BOARDS

Integrating our RapidFire Wave Rebound Board with state-of-the-art Reaction Lights. Receive immediate feedback on your passing precision, reaction time, field awareness, & first touch. User-friendly for individuals of all skill levels.

ORIGINAL REBOUND BOARD

The ultimate football training equipment for improving passing accuracy and ball control. Durable football training rebound board made from impact resistant HDPE-composite, perfect for consistent skill training sessions. Foldable angled legs for all-surface grip and an easy-carry handle. Single or pair.

PRO ALU REBOUND BOARD

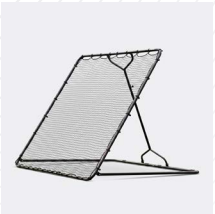
Premium reversible rebounder providing versatile football training exercises. Reversible in four different & unique ways. Featuring a flat & multi angle side to keep players on their toes. 100cm (3ft) Compact or 200cm (6.5ft) Pro versions available. Ideal for sports clubs, football clubs & schools.

INTERACTIVE REBOUND BOARDS

Combining durable rebound boards with cutting-edge reaction lights to elevate your football skills. Get instant feedback on your passing accuracy, reaction speed, field awareness & improve your first touch. Available in 3x bundle options & 3x rebound board sizes.

TRI FOOTBALL REBOUNDER

Multi-angle design supports solo or team training, helping players to improve their first touch, passing accuracy, ball mastery & weaker-foot technique at home, school or club training. Portable & durable construction for easy transport between sessions.



MEGA FOOTBALL REBOUNDER

RapidFire Mega Football Rebounder with a fully adjustable angle for varying skill training drills. 38mm galvanised steel frame with a 2mm knotless polyethylene rebound net. Weatherproof and freestanding foldable frame. Small (5ft x 6ft) and Large (7ft x 8ft) sizes.

MEGA X FOOTBALL REBOUNDER

RapidFire Mega X Football Rebounder with high and low rebound sections. Made from 38mm powder coated galvanised steel with a 2mm knotless polyethylene rebound net. Adjustable dual-angle rebounder with snap button assembly joints. Small (5ft x 6ft) and Large (7ft x 8ft) sizes.

FOOTBALL REBOUND WALL

FORZA Football Rebound Wall manufactured from high quality galvanised steel. A great choice of equipment on the training ground or garden to work on multiple techniques and drills. Available in 12ft x 6ft and 16ft x 7ft variations to suit all training sessions.

JUMBO FOOTBALL REBOUNDER

Jumbo Football Rebounder for indoor or outdoor use. Excellent piece of equipment for individual and team training along with goalkeeper drills. Ideal option to improve your passes, volleys, half volleys and more. Suitable for schools, clubs and professional use. Width x Height: 9ft x 7ft.

RAPIDFIRE FLASH II POP-UP FOOTBALL REBOUNDER

The elite-level double sided rebounder net allows a multitude of football drills. The low rebound net is designed from spring back polythene netting to practise ground passes, whilst the absorbent large polyester net enhances volleying & heading technique.

RAPIDFIRE FLASH POP-UP FOOTBALL REBOUNDERS

The pro rebound net is available in two sizes: 8ft x 5ft & 8ft x 6ft. Quick and easy to assemble, you can start practising different aspects of your game almost immediately, such as ball control, passing, volleying and more.

PREMIUM REVERSIBLE BIBS

Reversible design, each bib provides two contrasting colour options. Manufactured from high-quality, reversible 190gsm polyester. Providing exceptional comfort, durability, and performance. Available in 4x sizes: Kids, Junior, Adult S/M, and Adult L/XL.

PREMIUM NUMBERED BIBS

Designed to meet the needs of all sports teams and players. Numbers 1-23 printed on front and back. Sizes suitable for both kids and adults. Made from premium quality 190gsm polyester.

PRO FOOTBALL TRAINING BIBS/ VESTS

FORZA pro football training bibs in 8 eye-catching colours. Manufactured from lightweight quick drying mesh. Training bibs are available in 4x sizes suitable for various age groups. Supplied in packs of 5, 10 or 15.

PRO-MOULD SHIN GUARDS

Engineered to absorb extreme impacts thanks to the advanced TPU memory-flex shell that contours to the shape of your shin. Lightweight, flexible and a grippy texture to remain secure inside socks. Sleek black-out finish. 15cm x 10cm (L x W). Guard weighs 100g.

PRO SHIN GUARDS WITH SLEEVES

Durable shin guards with foam backing offer elite-level lower leg protection with a sleek blackout design, complete with compression sleeves. Available in a range of sizes from XXS – M/L.

PRO KIDS' SHIN GUARDS WITH SLEEVES

Durable shin guards with foam backing offer advanced lower leg protection with a sleek blackout design. Complete with compression sleeves to ensure a secure fit during intense gameplay. Available in sizes XXS or XS.

PRO REPLACEMENT SHIN GUARD SLEEVES

These sleeves guarantee your shin guards stay securely in place during use, eliminating the need for tape or straps. Breathable fabric still allows for a full range of unrestricted movement on the field. Pair of sleeves available in S or M/L sizes.

CLUB KIDS' SHIN GUARDS WITH ANKLE PROTECTORS [2X SIZES]

Kids' shin guards with ankle protectors designed for young footballers up to the age of 11. Featuring integrated ankle pads, an elastic foot strap, and a matte-gloss carbon-style shell, these lightweight shin guards combine safety, comfort and style.

CLUB KIDS' SHIN GUARDS

Shin guards ideal for all youth grassroots footballers up to the age of 11. These lightweight but durable kids' shin guards combine a hard carbon-effect shell, with EVA foam backing and ventilated grooves for maximum comfort and protection. Adjustable elasticated straps for the perfect fit.

KNEE SUPPORT SLEEVES

Made from flexible knitted fabric, each support sleeve and strap delivers a close, comfortable fit without restricting movement, making them ideal for running, gym sessions, racket sports, and everyday wear. Available across wrist, elbow, knee, ankle, and patellar tendon designs to keep you performing at your best.

ANKLE SUPPORT SLEEVE

Stay comfortable and supported through every step, ideal for training, sport, walking, gym sessions and everyday activity. The flexible, breathable fabric provides a secure fit with comfortable compression-style support, without any restrictions in movement. Available in sizes S-XL.

ELBOW SUPPORT SLEEVE

Made from flexible knitted fabric, the elbow support delivers a close, comfortable fit without restricting movement, making it ideal for racket sports, throwing activities, gym sessions and everyday wear. Available in sizes S-XL as single sleeves or pairs.

GOALKEEPING EQUIPMENT

Elevate your shot-stopping sessions with FORZA's professional range of Goalkeeper Training & Coaching Equipment. Engineered to develop reaction times, agility, and aerial dominance, our elite FORZA collection includes everything coaches need to put keepers through their paces, from ball deflection ramps and irregular bounce react balls to high-rebound deflection walls. Built for grassroots clubs and professional academies alike, each piece is crafted from commercial-grade materials designed to withstand rigorous daily drills in any weather, ensuring your goalkeepers master footwork, handling, and instinctive saves every session.

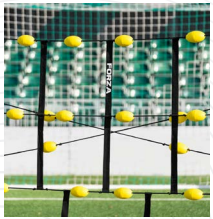
Scan the QR code to view our full range.

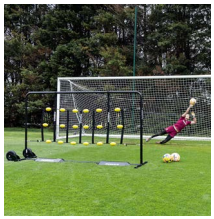
GK DEFLECTION REBOUND WALL

Sharpen your reflexes with our GK deflection rebound wall – the ultimate football goalkeeper training aid. 2m tall by 1.2m wide, it features smooth & bumpy fibreglass rebound surfaces for unpredictable ball deflections. Foldable design with wheels for easy transport. Perfect for sharpening GK reflexes & reactions. Optional flat panel available for extra training variety.

LARGE GK BALL DEFLECTOR

Elite goalkeeper training equipment perfect for improving reflexes and reaction time. The goalkeeping training gear has a multi-section design for easy storage and transportation. Optional wheels for easy portability and sight screen upgrade available.





MINI GK BALL DEFLECTOR

The Mini Ball Deflector is perfect to incorporate as part of goalkeeper training at any level. Innovative training device that tests the reflexes and reaction times of goalkeepers. The goalie training ball deflector has an optional sight screen and wheels available as upgrades. Carry bag included.

FLOOR MATRIX GK BALL DEFLECTOR

Take your goalkeeping reflexes to the next level with this elite ground-level ball deflector - the ultimate training weapon for goalies of all levels! Designed to keep you on your toes, the floating deflectors send the ball flying at random angles & unpredictable speeds, forcing lightning-fast reactions & razor-sharp reflexes. Upgrade your deflector with optional weights for further stability.

SINGLE LINE GK BALL DEFLECTOR

Measuring 12ft long, this goalkeeper training gear will test the reflexes and reactions of goalkeepers. To add variety to your goalkeeper training drills, the deflector rope can be set up at different angles. Optional weights available as an upgrade.

HYB GOALKEEPER GLOVES

Elite level hybrid goalkeeper gloves in 2 colours in a range of sizes. The combination of a rubber injection on the backhand & latex wrap minimises error when punching the ball & provides excellent grip. Optional wrist strap to suit those who prefer strapless goalkeeper gloves.

NGE GOALKEEPER GLOVES

Designed for ultimate comfort, utility & flexibility when in use, these professional goalkeeper gloves are designed for the best. Tight fitting strapless design ergonomically fits the wrist & hand comfortably. Strapless goalkeeper gloves for high performance in all conditions. Available in 2 colours & 8 sizes.

CLUB GOALKEEPER GLOVES

These goalkeeping gloves are a perfect inexpensive option for players looking for a durable & comfortable pair of gloves. The gloves come in pink, black & yellow in a range of sizes.

MONDO GOALKEEPER GLOVES

FORZA Mondo Goalkeeper Glove designed for use by elite goalkeepers. Made with an UltriGrip palm and Flexfit rubber punch zone for optimum grip and comfort. Available in 5 sizes.

LITE STRAPLESS GOALKEEPER GLOVES

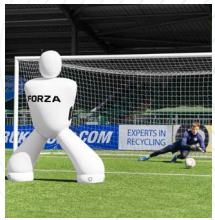
Boasting heavy-duty Long Life Ultra Grip+ latex palms for all-weather excellence, a breathable backhand & a strapless design. They offer a fusion of style, comfort & unmatched grip. Available in sizes 4-11, tailored to fit both juniors & adults.

GK RESISTANCE TRAINER

Goalkeeper resistance trainer designed to improve speed across goal, explosive footwork, reactions, jumps, dives & recoveries. Adjustable belt, latex bungees & reinforced goalpost straps, creating game-realistic drills for goalkeepers of all levels.

GIANT GK MANNEQUIN

Transform training with this FORZA GK Mannequin. Innovatively designed, the 195cm tall mannequin can be used to replicate deflections & obstacles in the box, giving keepers match-like conditions in training. Weighted base helps return mannequin back to position after impact & handles allow for easy movement. Pump & carry bag available.



3D GK FOAM MANNEQUIN

Professional 3D Foam Mannequin ideal for football training sessions and goalkeeper drills. Suitable for all clubs, this large mannequin is built with a foam interior, a dirt-resistant PVC exterior and a refillable HDPE base.

GOALKEEPER TRAINING TACKLE BAGS

Develop goalkeepers' ball catching/collecting under pressure from aggressive attackers. PVC weatherproof exterior. High-density foam padded. Woven handles for easy manoeuvrability. Available in 2x styles & junior or senior sizes.

GK REBOUNDER SHIELD

Perfect for improving reactions, reflexes, speed and awareness of goalkeepers. The football rebounder shield comes with an optional centre piece that acts as a deflector to mimic match-realistic deflections. Provided with 2 ultra-grip handles.

GK DEFLECTION RAMP

Standard and Wave deflection ramps for goalkeeper training. Ideal for goalies and clubs of all levels. Strike the football at the ramp to cause random deflections. Manufactured from ultra-durable rubber, suitable for use indoors and outdoors all year round.

HEADING/GOALKEEPER TRAINING SYSTEM

Dual arm design allows for two balls to be attached at any one time. Suitable for all ages thanks to ball height adjustability feature. Sturdy ground screw installation ensures maximum stability during use. Made from heavy-duty steel for ultimate strength and durability.

TARPAULINS (FOR GOALKEEPING REACTION TRAINING)

Use water to replicate a wet & greasy surface which is hard to otherwise train for when it is hot & dry. Manufactured from weatherproof PVC. Available in four sizes. Suitable for keepers of all skill levels & ages.

MATCHDAY EQUIPMENT

FORZA stocks a fantastic range of football matchday equipment designed to make sure you're fully prepared for every game. Referees can benefit from our premium range of football referee and linesman equipment which includes referee vanishing spray and linesman flags, whilst coaches can take advantage of a variety of products including coaching boards and first aid kits. We also have a superb selection of storage solutions. Our range of football gameday supplies cater for football clubs at all levels with essentials such as corner poles, and sports team shelters in stock, ensuring that teams have all of the equipment they need for match days.

Football captains' armbands for junior (10cm) and senior (12cm) players. Available in blue, green, yellow, fluorescent yellow, orange, black, and red to match your team colours.

SPORTS DRINK WATER BOTTLES

750ml water bottle with easy pull mouth piece and screw top lid. Manufactured from BPA- and phthalate-free soft squeeze plastic. Available in a range of colours. Sold individually, in packs of 10, 20, or jumbo packs of 96.

TEAM HYGIENE WATER BOTTLE

1 litre hygiene bottle, manufactured from BPA and phthalate free, soft squeeze plastic. Designed with a contactless nozzle system which prevents the spread of germs between team mates. Choose from 9x vibrant colours. Available individually, in packs of 10, 20 and packs of 40.

10 WATER BOTTLES & FOLDABLE BOTTLE CARRIER

Each 750ml squeeze bottle provides quick hydration, while the durable, foldable carrier ensures easy transport and compact storage between use.

8 HYGIENE BOTTLES & STACKABLE WATER BOTTLE CARRIER

Stackable drinks bottle carrier and 8 reusable 1 litre hygiene water bottles, with screw top lids and contactless nozzles. Drinks bottles are BPA and phthalate free.

8 SPORTS DRINK WATER BOTTLES & STACKABLE WATER BOTTLE CARRIER

Stackable drinks bottle carrier and 8 reusable 750ml water bottles, with screw top lids and easy pull mouth pieces. Sports bottle carrier features a moulded fist-grip handle that reduces hand strain.

10 HYGIENE BOTTLES & FOLDABLE BOTTLE CARRIER

Each 1L bottle features screw top lids and contactless nozzles, while the durable, foldable carrier ensures easy transport and compact storage between sessions. Available in 9x colours. Foldable carrier dimensions - 48cm x 21cm (L x W).

FOLDABLE WATER BOTTLE CARRIER

Sports water bottle holder ideal for teams on the move. Designed to hold up to 10 water bottles and foldable for handy storage. Hard-wearing plastic composition means this sports bottle carrier is easy to wipe/clean, and sturdy enough for frequent transport.

PROTEIN SHAKER BOTTLE

700ml protein shaker and wire blending ball. Manufactured from semi-translucent BPA free plastic, with a screw top lid and click cap spout. Available in blue, pink, black, red and yellow in individual packs, packs of 3, 20 or in a jumbo pack of 72.

WATER BOTTLE CARRY BAG

Water bottle carry bag available in 2x sizes & capable of holding up to x10 or x16 750ml or 1L sports water bottles. Both high-quality carry bags feature twin carry handles for enhanced portability & premium zippers to keep your bottles secure during transport. Bottles NOT included.

10 WATER BOTTLES & CARRY BAG SET

A practical & versatile carry bag, with x10 sports water bottles included. A high-quality carry bag with a thermal lining, designed to keep the temperature of your contents at a consistent level. Features two twin carry handles for enhanced portability. Bottles available in a variety of colours.

500ML SPRAY BOTTLE

Keep your sports first aid kit prepared for cuts & injuries with this refillable 500ml spray bottle. The adjustable nozzle switches between off, single spray & wide spray settings for controlled use, while the lightweight 60g plastic design is easy to carry in physio bags, first aid kits & kit bags.

COTTON TOWELS

Premium 100% cotton, soft black towels. Ideal for football clubs, coaches, schools & academies. Personalise them at sales@networldsports.com for branded club use, matchdays, training sessions & changing rooms. Available in 2 sizes & packs of 1, 5 or 10 to suit individual players or teams.

INSTANT HOT PACK

Instant Hot Pack provides deep heat therapy for muscular pains, stiff-feeling joints, chronic injuries, strains & sprains. Press firmly to activate, then apply for rapid relief. Compact & travel-friendly, these single-use heat packs are essential for first aid kits at sports clubs & schools. Range of pack sizes available.

INSTANT ICE PACK

Instant ice packs offer rapid relief from pain & swelling. Ideal for cold therapy treatment of sports injuries, strained muscles, contusions, minor burns, toothaches & insect bites. Activate with a simple squeeze, no need for refrigeration. Essential piece in first-aid kits & emergency bags at sports clubs & schools. Available in packs of 12, 24, 48, 96, 192 & 288.

COMPACT SPORTS FIRST AID KIT

Portable sports first aid kit comes in a compact lightweight nylon carry case which features a secure zip closure. Perfect option for sports teams & coaches to keep pitchside to treat minor injuries that may occur. Includes all the essential first aid supplies. Available individually or in a pack of 2.

REUSABLE HOT & COLD PACK

The reusable hot & cold pack helps treat both acute & chronic injuries, relieves pain & reduces swelling. Microwave for heat therapy, or chill in the freezer. The puncture-proof sachet with gel filling offers a lasting cooling/heating effect & includes a fabric cover for skin protection.

FIRST AID BAG

The Club bag delivers dependable performance and great value, while the Premium bag upgrades to water-resistant wipe-clean nylon with reinforced zips, straps and buckles for lasting durability. Bags are sold empty, with an optional first aid kit available as an upgrade.

VALUE SPORTS FIRST AID KIT

Value Sports First Aid Kit suitable for minor sporting injuries. First aid kit includes bandages, sterile dressings, wash proof plasters, tape, a cold pack & a personal protective pack stored inside a lightweight vinyl carry bag.

RESCUE BASKET STRETCHER WITH STRAPS & LIFTING SLING

Basket-style emergency first aid stretcher made from stainless steel, covered by a high-density polythene shell. The moulded runners, 3 safety belts & lifting sling included as standard make sure the 2-piece stretcher safely transports the injured player off the pitch.

SPINAL BOARD

This lightweight 9kg spinal board is made from high quality Polyethylene. Measuring at 185cm x 46cm, it is designed to transport patients of various sizes safely & securely, with a load limit of 160kg. Facilitates easy storage & manoeuvrability in emergency vehicles & other tight spaces.

TEAM FIRST AID KIT

Comprehensive first aid kit contains all the items required to treat minor injuries at the pitchside. Spacious carry bag protects the contents & has a sturdy handle to ease transportation. Suitable for all sports teams including football, rugby, netball & more.

FOLDING ALUMINIUM EMERGENCY FIRST AID STRETCHER & BAG

Lightweight two-fold aluminium stretcher with carry bag. Antibacterial design, as well as crack, chemical & stain resistant for maximum hygiene. Folding stretcher includes rubber handles for increased grip.

MULTI PURPOSE SPORTS FIRST AID KIT

Multi-Purpose Sports First Aid Kit filled with an extensive range of safety equipment including bandages, cold packs, & plasters. The first aid kit is stored inside a water-resistant carry case for simple transportation.

PRO FOOTBALL FIRST AID KIT

Complete first aid kit for all professional football teams to keep on the sidelines of matches. The bag includes an extensive range of first aid supplies to treat injuries, all of which is stored inside the waterproof carry bag with handle for easy transportation onto the pitch.

STORAGE, TROLLEYS & BAGS

Keep your facility tidy, organised, and session-ready with our heavy-duty range of sports equipment storage trolleys, bags and cages. Engineered for schools, leisure centres, and professional sports clubs, our heavy-duty steel trolleys and lockable storage cages make transporting and securing gear effortless. Featuring multi-purpose ball carts, heavy-duty mesh cages, padlocked storage containers, and smooth-rolling, puncture-proof swivel castors, this collection safely accommodates balls, bibs, cones, and training tools for any sport. Built from rust-resistant, powder-coated steel for maximum indoor and outdoor durability, our storage solutions ensure your equipment stays protected, organised, and ready for instant deployment every session.

Scan the QR code to view our full range.

ALUMINIUM EQUIPMENT TRANSPORT & STORAGE BOXES

Aluminium storage boxes ideal for professional clubs looking to store and transport training, matchday or tour essentials. The 1.5mm thick aluminium walls with reinforced corners guarantee durability, whilst the inner foam lining can be applied for ultimate protection during coach journeys or overseas travel. Available in 7 sizes from 30L-360L with optional clip-on wheels for effortless mobility.

TEAM BOOT BAG

Ultra-durable kit bag to store & carry up to 24 pairs of boots. Manufactured from 1680D Polyester, with heavy-duty YKK zippers. Fitted with PU & water-resistant lining. Featuring durable wheels, telescopic handle & skid plate. Suitable for all sports teams.

FOOTBALL GOAL CARRY BAG

Top quality FORZA football goal carry bag to make transporting your FORZA PVC goals easy. Small, medium and large sizes available. Compatible with goals ranging from 5 x 4 to 16 x 7. Suitable for PVC goals only.

FOOTBALL TRAINING DRAWSTRING BAG

Ultra-lightweight mesh carry bag to transport football training bibs. Easily transport all your training bibs to and from training sessions/matches. The bag features a drawstring fastening to ensure the bibs stay securely within the bag. Ideal option for coaches & schools.

GOALKEEPER GLOVE BAG

Compact glove bag designed to carry your goalkeeper gloves. Featuring a main compartment for your gloves along with an exterior compartment for extra accessories. Manufactured with Matte PU & 210D polyester. Measuring 20cm x 12cm x 37cm with a volume capacity of 6L.

LAUNDRY KIT BAG

Designed to carry essential matchday equipment, the 130L FORZA Laundry Kit Bag is an excellent choice for both home & away games. The travel bag features drawstring fastening to help keep contents safe & secure during travel. Designed with an over the shoulder carry strap. Available in Black, Red & Blue.

MESH BALL BAG BACKPACK

Crafted from premium-quality materials to ensure long-lasting use, this mesh ball backpack can transport & store up to 12 size 5 footballs at a time. Featuring convenient twin shoulder straps, a drawstring closure, & enclosed zip pocket for valuables. Balls not included.

PLAYER/TEAM DUFFLE BAG

The ideal travel bag for training & matchday essentials, the FORZA bag is available in a sleek black or navy design in spacious 50L & 75L sizing options. With multiple pockets for organised storage & durable, weatherproof 900D pimo-coated material, it's perfect for sports & everyday use.

PLAYER/TEAM HOLDALL WITH WHEELS

Perfect for away matches, business trips & holidays, this black wheeled travel bag comes in 60L & 90L options. It features sturdy carry handles, a telescopic handle & multiple pockets for easy organisation. Its durable, weatherproof 900D pimo-coated exterior makes it ideal for sports & everyday use.

PLAYERS HOLDALL WITH BOOT COMPARTMENT

Features a reinforced lower compartment for up to 3 pairs of boots, a spacious main section with internal zip pocket for small personal items & a large external pocket for quick access. Padded handles & a detachable shoulder strap make it comfortable to carry.

PREMIER BALL CARRY BAG

Suitable for all sports, this ultimate heavy-duty carry bag can store and transport up to 12 fully inflated sports balls or a collection of training equipment. Features mesh panels for easy ball identification. Available in black, yellow, green, red or blue.

SLALOM POLE CARRY BAGS

Lightweight slalom pole bags designed to carry & safely store up to 16 agility poles. Made from durable polyester for long-term use in all weather conditions. 2x styles available. Bag only – slalom poles not included.

TRAINING HURDLE CARRY BAG

The long lasting carry bag is designed to easily transport & store your speed & agility training hurdles. Manufactured from nylon, the material is durable to enhance longevity. Featuring high quality zips to open & close the bag, ensuring the hurdles are safe & secure. Carry bag only.

TUBE BALL BAG

A spacious cylindrical carry bag, able to accommodate up to five inflated size 5 footballs. Perfect for match days & training sessions. Manufactured using high-quality nylon & mesh. Features a single adjustable strap & draw cord closure. Available in a choice of 4x colours.

FOOTBALL CARRY BAG

The football sack allows convenient storage and transportation for up to 12 size 5 footballs. Designed with a drawstring fastening system, the football carry bag provides a secure closing system which can be easily loosened when preparing for practice.

FOOTBALL GOAL NET CARRY BAG

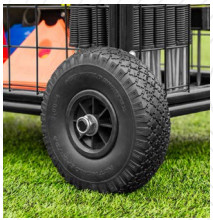
Football Goal Net Carry Bag measuring 82cm long x 45cm wide. Capable of holding 2 full size football goal nets. Additional side pockets for goal accessories. Woven carry handles.

FOOTBALL KIT BAGS

Football Kit Bags made from heavy-duty Polyester Oxford Fabric for long-lasting use for seasons to come. Perfect for carrying your kit to matchdays & training sessions. Easy to carry lightweight football bags available in 7x styles.

SPORTS EQUIPMENT STORAGE TROLLEY

Revolutionise sports equipment storage & transportation with our equipment storage trolleys. Expertly designed, the steel storage cart features a modular system that provides simple assembly & allows for custom configurations to suit you. Ideal for mannequins, slalom poles, cones, balls & more, each sports equipment trolley has premium PU wheels for easy movement on any surface. Available in 2x sizes - Compact and XL.



XL SPORTS EQUIPMENT STORAGE CABINET & TROLLEY

The heavy-duty steel cabinet features 3x removable shelves & lockable doors. Highly manoeuvrable & stable due to 4x castors (2x with brakes). Measures 172cm H x 172cm W x 68cm D.

SPORTS & PE STORAGE TROLLEY WITH DRAWERS

3-tier mesh baskets can store a variety of equipment and the jail bar compartment can hold 25x size 5 footballs. Steel Storage cart features an ergonomic handle and 4x non-marking wheels for ease of transport.

360º SPORTS EQUIPMENT STORAGE TROLLEY

This heavy-duty steel storage trolley features a top basket and a sturdy second shelf so you can carry a variety of different sports equipment. PU wheels glide smoothly across all surfaces. Quick and easy assembly.

BOOT HANGER - WALL MOUNTED

The simple but effective tool saves space within any home, clubhouse, or boot room. Each hanger holds up to 6 pairs of boots. Ideal for organising & airing shoes. Supplied in a pack of 2.

BALL BIN

Made from 420D Oxford fabric with a collapsible fibreglass frame, it's quick to set up & built to last. Comes with a carry bag & ground anchors for added stability on soft surfaces. Choose from two sizes holding up to 17 or 45 size 5 footballs.

PRO ROLLING BALL TROLLEY

Measuring 88cm x 60cm & weighing 5kg, the aluminium & MS frame holds up to 20 size 5 footballs. Smooth-rolling wheels ensure easy movement across all surfaces, while the foldable design allows compact storage.

GROUND EQUIPMENT

Transform your facility into a professional match-day venue with our comprehensive range of Football Ground Equipment. Designed to keep pitches pristine, safe, and fully operational, our extensive line includes heavy-duty team shelters, precision line marking machines, pitch divider nets, and crowd control barriers. Essential stadium maintenance and pitch preparation tools like boot wipers, drag mats, and custom corner flags sit alongside safety accessories such as heavy-duty goal anchors and net clips. Engineered using ultra-durable, weather-resistant materials, our ground equipment provides grassroots clubs, local councils, and professional stadiums with the reliable, long-lasting solutions needed to meet official league standards season after season.

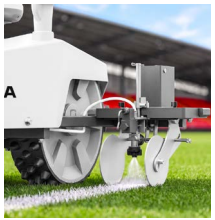
FJD PAINTMASTER LINE MARKING ROBOT PRO

Produce precise, professional sports field markings with our autonomous Pro line marking robots. Using advanced RTK positioning, they create consistent lines on football pitches, rugby fields, baseball diamonds & more while reducing marking time, labour & paint usage. Includes 100L of FORZA Pro Robot Line Marking Paint.

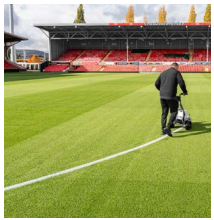


FJD PAINTMASTER LINE MARKING ROBOT MINI

Produce precise, professional sports field markings with our autonomous PaintMaster Mini line marking robot. Using advanced RTK positioning, it creates consistent lines on football pitches, rugby fields, baseball diamonds & more while reducing marking time, labour & paint usage. Includes 100L of FORZA Pro Robot Line Marking Paint.

TRIAD ELECTRIC SPRAY LINE MARKING MACHINE

Achieve consistent, high-quality lines on grass sports pitches with the FORZA TRIAD. This easy-to-use, 3-wheel, battery powered, electric marking machine offers adjustable line width (2-5in) for different sports and interchangeable nozzles to adjust paint output to suit your paint budget. Suitable for groundsmen, contractors & pitches of all levels.

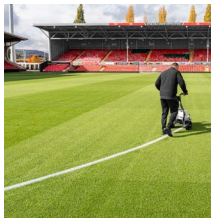


WHEEL TRANSFER LINE MARKER

Treat your grass pitches & courts using the heavy-duty Wheel Transfer Line Marker. Boasting an impressive 13.8L paint capacity to use on multi-pitches. Available with a 1'', 2'', 3'', 4'' or 5'' marker wheel. Option to add 10L concentrate marking paint.

STADIUM+ LINE MARKING PAINT

Elite, innovative ready-to-use grass line marking paint, designed for electric spray machines & line-marking robots. Suitable for natural & hybrid grass sports pitches including football, rugby, Gaelic sports & more. Ready to use formula - simply pour into machine & you're ready to go. FORZA Stadium+ offers an even brighter, faster-drying finish for stadium-level presentation. Supplied in 10L tubs with bulk-buy discount options.



PRO LINE MARKING PAINT

Elite, innovative ready-to-use grass line marking paint, designed for electric spray machines & line-marking robots. Suitable for natural & hybrid grass sports pitches including football, rugby, Gaelic football & more. Ready to use formula - simply pour into machine & you're ready to go. FORZA Pro delivers bright, sharp lines for clubs & high-use facilities. 1x 10L tub.

CLUB & CLUB+ CONCENTRATE LINE MARKING PAINT

Professional line marking paint concentrate for grass sports pitches like football, rugby, Gaelic sports, tennis courts & more. Suitable for wheel transfer and electric spray machines, simply mix paint with water and apply. Sold in 10L (2.2Gal) tubs with bulk buy discount & super concentrate upgrade options. Available in 7 colours.

READY TO USE LINE MARKING PAINT

High-quality ready to use line marking paint for grass sports pitches like football, rugby, Gaelic sports, tennis courts & more. Suitable for wheel transfer and electric spray machines, simply pour paint into machine and go (no mixing needed). Sold in 10L (2.2Gal) tubs with bulk buy discount options. Available in White.

3-4-5 LINE MARKING TRIANGLE

Line marking triangle that provides accurate right angles for precision corners before marking out. Suitable for use on grass, artificial surfaces, & hard courts. Manufactured from durable PVC. Quick & easy to set up on all surfaces. Essential equipment for all groundskeepers.

PENALTY SPOT MARKER

A great addition to a groundsman's kit, this regulation size penalty spot marker has a lightweight construction for easy storage & transport. Designed to make the process of marking out your penalty spot quick, effortless & accurate. Suitable for use on all surfaces.

PRO LINE MARKING SETTING OUT KIT

The perfect groundskeepers kit, providing you with the key equipment to set out your sports pitches. Available with a durable PVC carry bag, the kit can be stored and transported with ease.

LINE MARKING REEL

The premium lightweight line marking reel is designed for groundskeepers to "string" out sports pitches, courts & fields accurately prior to the line marking. Features a built-in twine locking mechanism, an ergonomic handle & a steel hook for your convenience. Can hold up to 200m of twine. Twine not included.

HEAVY-DUTY LINE MARKING TWINE

The heavy-duty colourful twine aids groundsmen with clear & accurate pitch markings before painting the pitch/field. Available in 1.6mm or 2mm. Twine is non-stretch & retains shape/tension when taut. Supplied on a 200m or 330m roll.

AEROSOL LINE MARKING SPRAY PAINT

750ml semi-permanent acrylic spray cans with quicker drying times than ever before, suitable for use on all surfaces. New and improved formula for a brighter, longer lasting finish. 1x 750ml can will mark out approximately 100m.

GRASS MARKING TUFTS / CARROTS

Easy to install, screw-in grass marking tufts. Weatherproof marking tool made from dense polypropylene with thick UV resistant synthetic fibres. Installation tool included. Pack of 25 tufts available in 8 colour options.

LINE MARKING STAKES

Pack of 10 Line Marking Stakes designed to allow for simple & efficient sports pitch line marking. Each stake measures 2ft tall & features a spiked & lipped end & a footplate for easy ground insertion. Galvanised steel ensures they're suitable for multiple seasons of consistent use.

GRASS FOOTBALL PITCH LINE MARKING PINS

A comprehensive set of 10 Line Marking Pins, with 8 'L' shaped plastic corners and 2 'T' segments. Created using thick white plastic, each piece of this set is ultra-durable.

OPEN REEL TAPE MEASURE

100m open reel tape measure accurate to one centimetre, with a hand crank for manual recall. Manufactured from easy-clean, fibreglass and plastic, weighing just 1.14kg. Suitable for all sports.

100M PITCH LINE MARKING TAPE

The FORZA Line Marking Tape quickly resolves any pitch marking issues you may have. Available in white, yellow and blue, the 2in wide elastic tape is great for creating or splitting your existing playing surface. Mesh drawstring bag & 30x pegs included for portability & security.

HEAVY-DUTY LINE MARKING TAPE

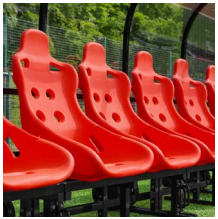
Industrial-strength plasticised PVC floor tape. Suited to indoor & outdoor use, the tape is ultra-durable & can be easily removed without causing damage. Perfect for sports halls, warehouses, hospitals & more. Upgrade to include a Line Marking Tape Applicator.

ALU110 2-TIER FIXED TEAM SHELTER

Professional grade FORZA Alu110 Team Shelter for all sports pitches & venues. Expertly engineered 16- & 22-seater shelters in a variety of seat colours & styles. Dugouts boast shatterproof polycarbonate panels for impact resistance & 360° panoramic views. Heavy-duty aluminium frame for rust, UV & scratch protection. Optional rear panel tint.

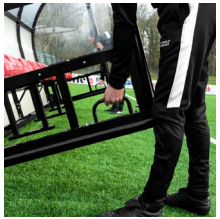
ALU110 TEAM SHELTERS MOBILE/FIXED

FORZA Alu110 Mobile Shelter [4/8 Seat] for all sports pitches & facilities. Dugout shelter has two seat styles in a range of colours. Constructed from heavy-duty aluminium for supreme longevity. Shatterproof panels provide resistance to impacts & 360° panoramic views. Puncture proof 360° wheels allow for effortless portability.



FORZA ALU60 TEAM SHELTER & BENCH [2 TIER]

Professional-grade FORZA Team Shelters & Benches for all sports pitches & facilities. Engineered using premium aluminium to combine long-lasting performance with a lightweight nature for easy movement. 2 tier dugout design with 4 lengths, 7 colours & optional wheels available.



FORZA STEEL50 360° PORTABLE TEAM SHELTER

A professional-grade portable team shelter, essential for clubs wanting to raise pitch-side standards with a reliable, easy-to-move cover. Offering dependable cover for players, coaches & staff, the Steel50 combines smooth wheel-away mobility with a durable steel frame and PVC-laminated canvas to deliver all-weather protection. Upgrade to include seating configurations.

LUXURY DUGOUT & SHELTER SEATS

Luxury dugout seats available in two different styles. Ultra-durable frame manufactured from powder coated steel. Customisable anti-fade marine vinyl outer casings and embroidered logos. Optional rustproof base pedestals and two stage heating system available.

EURO TEAM SHELTER

Heavy-duty & quick-to-assemble FORZA EURO Team Shelter. Constructed from 50mm aluminium with 80mm reinforcement strut making it the strongest dugout available. Supplied in pre-assembled panel form with 5mm shatterproof Perspex pre-attached – for vastly quicker assembly.

ALU60 TEAM SHELTER & BENCH

Professional-grade FORZA Team Shelters & Benches for all sports pitches & facilities. Engineered using premium aluminium to combine long-lasting performance with a lightweight nature for easy movement. 2 tier dugout design with 4 lengths, 7 colours & optional wheels available.

PORTABLE TEAM SHELTER

Portable dugout is waterproof & protects from UV rays, whilst still allowing sunlight in. Quick and easy assembly with a sturdy steel frame. Sits up to 8 people. Measuring 140cm D x 370cm W x 180cm H.

WHEELAWAY BENCH

Modular wheelaway seating frame that holds up to 2x seats. The durable aluminium frame features handles and puncture proof wheels for effortless portability. Two seat styles available in a range of colours. 2x seats included per wheelaway frame.

PLASTIC BUCKET SEATS

Premium bucket seats for sports shelters & stadiums. UV stable & robust polyethylene. Durable & easy to maintain, available in 9 colours to fit your sports ground/stadium theme. Provide your team & fans with ultimate comfort all season.

ALUMINIUM SPORTS BENCH – SIDELINE SPORTS SEATS

Featuring moulded HDPE seats and an aluminium frame, this team sports bench is engineered to last. Ideal option for general bench seating, sin bin benches or as an additional seating row in team shelters. Available in various seat sizes and colours.

PLASTIC STADIUM MOULDED SPORTS SEATS

FORZA Sports Seats provide ultimate comfort for your team and fans. Moulded HDPE seats suitable for use in both shelters and stadiums. Weatherproofed and UV treated to provide additional durability in any condition throughout the seasons. Single seat only.

REPLACEMENT BUNGS FOR MOULDED DUGOUT SEAT

High quality material designed to protect and conceal screws. Ensures a clean and seamless surface. Ideal for both indoor and outdoor use, easy installation providing a professional finish while enhancing safety & aesthetics. Bungs sold individually.

REMOVABLE ALU80 BALL STOP SYSTEM POSTS

Premium-grade removable posts for ball stop netting systems. Engineered using 80mm reinforced aluminium for guaranteed long-lasting performance. Comes with pulley, cleats, haul rope & ground socket. 3 sizes available. POSTS ONLY – netting not included.

BALL STOP NET & POST SYSTEM [8M HIGH] - PERMANENT

Permanent ball stop net & post system to keep sports balls within the boundaries of the pitch/grounds. This 8m (26ft) high system is available in multiple lengths from 10m-100m & custom sizes if required. Made with heavy-duty steel posts, ball stop protection netting & tensioned wires.

360º MOBILE BALL STOP NET

A portable ball stop post and net system on wheelaway bases for any size sporting balls. Ideal for facilities that need to move their ball stop netting regularly or cannot concrete a permanent system. Strong, rot-proof and UV treated netting for long life. Available in 2 heights and 4 widths.

PRO SOCKETED STOP THAT BALL™ – BALL STOP NET & POSTS

2in heavy-duty posts with premium netting to prevent off target sports balls leaving the grounds/pitch. Available in 3x heights, 5x lengths & 4x net types.

SOCKETED STOP THAT BALL™ – BALL STOP NET & POSTS

Semi-permanent Stop That Ball™ system with removable steel ground sockets (450mm deep/ 50mm wide). Used for a wide range of sports, the durable ball stop net is ideal for gardens & clubs. 12ft high with 5 net lengths available.

POP-UP STOP THAT BALL™ – BALL STOP NET & POSTS

Protect your windows, garden & other property from stray balls with this high-quality Pop-Up Ball Stop Net System. Manufactured using ultra-strong yet lightweight materials for simple portability. Can be assembled in less than 2 minutes. Carry bag included.

FREESTANDING STOP THAT BALL™ – BALL STOP NET & POSTS

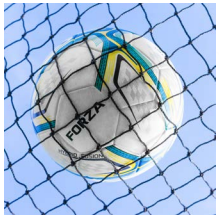
Perfect for the garden, the revolutionary Stop That Ball™ System is 100% freestanding. Measuring 10ft tall, the innovatively-hinged pivot system allows users to adjust its angle. Available lengths: multiples of 10ft.

FENCE FIXED BALL STOP NET POSTS [5 PACK]

Increase the height of your existing ball stop fence system between 4-6ft with the fence mounted extension posts. Manufactured using durable galvanised steel. Includes M8x70 bolts, nuts, washers & 5 steel posts.

120MM FOOTBALL BALL STOP NETTING

120mm netting designed to withstand heavy use and last for years. Available for fast delivery, in two heights and in a choice of per foot or per metre.



PREMIUM-GRADE MULTI-SPORT NETTING

Professional-grade HDPP ball stop netting made to any size requested. Weatherproof & suitable for indoor & outdoor use. Netting features a 48mm knotted mesh for excellent protection against a range of balls.

STOP THAT BALL™ REPLACEMENT NETS

Replacement nets for the Stop That Ball™ Post & Net System. Crafted using heavy-duty UV-stabilised 2mm HDPP twine with a 48mm knotted mesh, perfect for clubs & gardens. Available in 6 sizes. Replacement Nets ONLY.

REPLACEMENT PARTS FOR STOP THAT BALL™ NET SYSTEMS

Crafted from highly durable materials, our spare parts ensure long-lasting performance. Choose from a variety of replacement posts, nets, hardware & more to keep your setup in peak condition. Replacement parts only – full setup not included.

PRO FOOTBALL CORNER FLAGS & BASE SET

Ideal for 3G & 4G surfaces. Moulded 9kg rubber base ensures excellent reliability to anchor corner flags in all weather conditions. Includes 4x corner flags, 4x poles & 4x rubber bases. Yellow/orange flag colours.

PRO CORNER FLAGS

Clearly define any sports field with these premium FORZA corner flags. Measuring 46cm x 31cm. Built to withstand year-round use in all weather conditions. Designed to fit corner poles up to 50mm in diameter. Features an adjustable tie for a secure fit on smaller poles. Flags only, poles not included.

SPRING LOADED CORNER FLAGS & POLES

Spring loaded 5ft football corner poles and corner flags. Choose between a 4 pack or 8 pack of poles/flags. 25mm thick corner poles are made from weatherproof PVC for year-round use. Optional carry bag upgrade.

ASTROTURF CORNER FLAGS, POLE & BASE SET

Choose between a set of 4 standard corner poles with bases and flags and a set of 4 or 6 spring loaded flags with bases and flags. Standard corner poles stand 4.5ft tall, with spring loaded standing 5ft tall. All options available with/without a durable carry bag.

CORNER FLAGS & POLES

Set of four regulation football corner poles & flags. Weatherproof PVC corner poles are 25mm (1in) thick with a black spike at the end that pushes into the ground. Flags are made from ultra-durable nylon, available in 10 bright colourways. Optional carry bag upgrade.

CORNER FLAG / POLE BASES

Heavy-duty bases for corner flags available in 3 styles; Pro, Spiked or Standard. Premium bases allow corner poles to be used on AstroTurf/3G/4G sports pitches. Designed for the FORZA Corner Flag range but also suited to other styles of corner poles (see below for dimensions). Bases Only.

CUSTOM CORNER FLAGS

Weatherproof football corner flags supplied in nine different colours, with vector image printing also available. Custom flags are designed to fit 25mm or 50mm corner flag poles. Measuring 30cm x 40cm. Sold in packs of four or six. Single & Double Sided Printing available.

RAINBOW / PRIDE CORNER FLAGS

High-quality Rainbow/Pride corner flags which are ideal for football, rugby, hockey & more. Suitable for corner poles up to 50mm, these LGBT flags feature a premium nylon construction for long-lasting use. Sold in packs of 4.

COLOURED CORNER FLAGS

Bright & durable in all weather conditions, they feature adjustable ties & fit poles up to 25mm/50mm in diameter. Supplied in packs of 4, available in a range of vibrant colour options. Flags only – poles not included.

POST & BASES FOR PLASTIC CHAIN BARRIERS

Heavy-duty PVC posts & bases for chain barrier systems, suitable for use on all surfaces. Choose from freestanding or ground spike options. With a 50mm diameter & 2mm thickness, they're durable & available in 4 vibrant colours, with replacement caps also offered. Chains NOT included.

FREESTANDING PLASTIC POST & CHAIN BARRIER SET

The set includes 4x durable posts, 4x pre-weighted bases & a 5m chain. Available in a variety of bold, standout colours, it's perfect for guiding crowds, marking boundaries, or cordoning off restricted areas with maximum visibility.

GROUND SPIKE PLASTIC POST & CHAIN

Ground Spike Plastic Post & Chain set for use on soft grounds. Includes 4x spike in grass posts & 1x 5m chain. Available in 5x colour variations. Chains are 6mm or 8mm. Perfect for channelling crowds or cordoning off hazardous areas.

PLASTIC CHAIN BARRIER – CHAIN ONLY

Durable plastic chain used to form a complete chain barrier. Plastic chain links available in thicknesses of 6mm or 8mm & lengths of 5m or 25m. Made from durable PE materials for maximum strength & stability. Available in 8 highly visible & vibrant colours. Chain Only.

PLASTIC CHAIN BARRIER CONNECTORS

Plastic connectors used to extend the length of your plastic chains. Made from ultra-durable PE material for strength & durability. Sold in packs of 10. Available in both 6mm & 8mm with 6 colours to match your plastic chains. Connectors Only.

FOOTBALL CROWD / RESPECT BARRIER

The PVC poles with ground spikes are weatherproof for outdoor use. Rope & ground anchors keep a stable barrier throughout. Available as a 60m or 120m set in various colour combinations. Includes heavy-duty bag for transportation.

FOOTBALL ASTROTURF CROWD CONTROL BARRIER

Vibrant football crowd barriers suitable for 4G pitches and available in lengths of 60m (65 yards) or 120m (130 yards). Comprised of 1.2m (4ft) tall durable PVC poles, a polypropylene rope and heavy-duty rubber bases. Supplied with a lightweight nylon carry bag.

PREMIER FOOTBALL PITCH CROWD CONTROL BARRIER

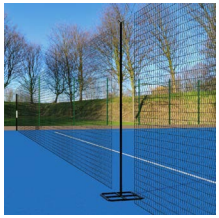
This barrier system is designed for professional club grounds. Available in three different colours and with added extras, this hard-wearing galvanised steel barrier can be purchased in either a standard size (105m x 75m) or at bespoke length.

FOOTBALL PITCH SPECTATOR BARRIER

A football pitch barrier ideal for universities, small football clubs and local leisure centres. Produced using galvanised steel, this strong barrier is ideal for outdoor conditions. Available as a permanent system that is 105m x 75m or as a custom installation (minimum order 20m / 65ft).

PITCH DIVIDER NET

Completely custom pitch divider netting & posts package which is specially tailored to your sports pitch. Includes all wire and clips required.



PITCH DIVIDER NET AND POST SYSTEM

3m (10ft) high structure is fitted with a tensioned wire and premium quality PVC bottom banding to stop all sports balls. Sold in split net or standard styles in a choice of 4 lengths – 25m (82ft), 40m (131ft), 55m (180ft) and 80m (262ft).

PRO BOOT WIPER AND SCRAPER

Professional grade 4-person boot wipers and scrapers ideal for all sports clubs, schools and leisure centres. Tilted brushes allow for a comfortable boot wiping experience whilst the square bar removes excess mud before using the brushes. Bolt-to-floor, root fixed and socketed ground fixings available.

HEAVY-DUTY BOOT SCRAPER & WIPER

3.2ft tall boot scraper which efficiently removes dirt and debris from sports footwear. Weatherproof 0.1in steel boot scraper with a black powder coated finish. Stiff bristle brushes and an in-built scraper remove all mud.

COMPACT BOOT SCRAPER BRUSH & WIPER

Double-sided scraper which features stiff-bristled brushes on both sides for simultaneous use by two people. Soft grip handles for control & comfort. Exceptionally easy to assemble with a black or green powder-coated finish & a steel floor fixing plate.

BOOT SCRAPER

Designed to remove mud & dirt from footwear, these socketed boot cleaners are excellent for use outside sports clubs, leisure centres & schools. Made using durable & stiff bristles with a galvanised steel & powder coated base for long lasting use.

BOOT SCRAPER WITH GRATE

Designed to be fixed directly to the ground, these boot cleaners with grate are an excellent option for use at sports clubhouses, leisure facilities & schools. Constructed using galvanised steel with an HDPE powder coating for use outdoors & stiff bristled brushes to effectively remove excess dirt.

TURF INSERTION TOOL FOR GROUND SCREW INSTALLATION

Installation tool designed to easily install & remove ground screws. Manufactured from heavy-duty steel, the weatherproof installation tool can be used all year round. Compatible with multi use ground screws & Pro Stop That Ball™ removable ball stop posts.

STEEL 18IN U-PEG GOAL ANCHORS

Super-strong 18in long steel U-Pegs designed to anchor 110mm goal frames to grass pitches. Perfectly suited to the entire range of professional FORZA Alu110 freestanding goals. Crafted from durable 8mm thick steel & galvanised for enhanced resistance to rust & prolonged lifespan.

UNIVERSAL TEAM SHELTER WEIGHT PLATES

The ideal solution for securing team shelters & sports goals, these weight plates withstand extreme weather & offer a simple anchoring solution. They attach easily with jubilee clips & hold up to six 17kg weights each. Optional weights available.

RUBBER PEG MALLET

A sturdy rubber mallet designed for driving in pegs to secure goal nets. The rubber head protects pegs and surfaces, while the comfortable grip makes set up quick and easy on any pitch.

STEEL U-PEG GOAL ANCHORS

Galvanised steel U-Peg ground anchors for safely securing freestanding football goals & cages. Designed to fit over base frames with a maximum diameter of 72mm or 110mm. Available in two thicknesses: 6mm thick (8in long) or 8mm thick (10in & 18in long).

SPIRAL MULTIFIX GROUND ANCHOR KIT

14in ground anchor for use in many surfaces. Set of 4 heavy-duty goal anchors manufactured from zinc coated steel. Ideal for anchoring goals & team shelters.

ANCHOR WEIGHTS FOR GOALS & SHELTERS

17kg galvanised steel counterweights for football goals & team shelters. Safely secure freestanding shelters & goals to the ground. Can be used indoors and outdoors.

GOAL ANCHOR CHAINS & WALL BOLTS

Set of 2 stainless steel goal anchor chains, 2 M8 raw bolts and 4 stainless steel snap hooks for the quick and easy attachment of goals and batting cages to nearby walls. Chains are available in lengths 0.5m or 3m. Secures one goal.

GOAL TO FENCE CHAIN ANCHORS

Set of 2 galvanised stainless steel goal anchor chains available in lengths of 1.8ft or 10ft and 4 stainless steel carbine snap hooks. Designed to temporarily secure all freestanding goals and batting cages to nearby fences. A single anchoring set will secure 1 goal.

GROUND SCREW ANCHOR KIT

Heavy-duty galvanised steel ground screw. Used to secure smaller frames & structures. Designed to anchor team dugout shelters, mobile ball stops & goals. Measuring 450mm (17in) in length, no digging is required to install the Anchoring Ground Screw. Available in packs of 2 & 4.
